

If your plan is to travel to Olomouc via Prague, it is best to do so using a train. Once you depart the Terminal (Terminal 2) you can move to the bus station G (see the map) and take a special bus line Airport Express (AE, <https://www.dpp.cz/en/travelling/transport-to-airport/ae-line>) that will take you directly to the main railway station. The airport-railway station journey takes approximately 40 min depending on the traffic. Cost: 100 CZK.

The main lobby of the station is underground. From there you can take any of the frequent train headed to Olomouc (approximately 1 per hour). The costs vary depending on the class and the company providing the train. The optimal train can be found via the provided link - <http://jizdnirady.idnes.cz/en/vlakyautobusymhdvse/spojeni/>

A screenshot of the IDOS.cz website search interface. The header includes the IDOS.cz logo and navigation icons. Below the header are four tabs: "CONNECTION" (selected), "DEPARTURES", "STATION TT", and "Timetable Selection". The search form has "FROM Praha hl.n." and "TO Olomouc hl.n.". The date is set to "11.9.2022 sun" and the time to "12:00". There are radio buttons for "Departure" (selected) and "Arrival". There are checkboxes for "Direct connections only" and "Extended search". A large orange "SEARCH" button is at the bottom.

By clicking search you get the list of the possible trains of various providers (marked red) meeting your requirements. To check the price or buy the ticket it is best to move directly to the provider's website.
